&  
Sunday 26th August 6am Landscape & Wildflower Shoot  
Followed by a Digital Studio until 4pm  
Only \$350**

“Through my six two-part modules we explore how using photography as a means of communication we can initiate an exciting creative life journey, a journey that can enhance our mental, physical and spiritual well-being.” Steve Parish

The Steve Parish Masterclass covers both theory and practical activities over two full days and is suitable for photographers at all levels from the very beginner through to experienced photographer.

Please note— Bring Camera, lenses, memory cards, and batteries to Sunday’s morning session only.

Morning and afternoon tea and lunches will be provided on both days. Participants will also receive extensive detailed course notes written by Steve.
