Cancellation / Refund Policy

In principle, a member agrees to be a member of the Morawa Gym for the full period of which they signed up and paid.

All memberships are subject to a seven (7) day cooling-off period - which starts from the time that the membership application is received at the front counter. The following guidelines apply:

1. To terminate a membership within the cooling-off period, members must notify the Shire in writing that they wish to exercise their right to cool off. The written notification can be submitted in person at the front counter, or via email to admin@morawa.wa.gov.au.
2. If a member cancels during the cooling off period, any amount paid will be 100% refunded.
3. **No refunds after the seven (7) day cooling-off period** will be accepted without the grounds of extenuating circumstances that will disallow the member to continue use of their membership i.e., serious illness or injury. Refunds will however remain at the discretion of the CEO of the Shire of Morawa.
4. A minimum of two (2) weeks written notice is required to cancel any membership with a refund request. A member can continue to use his membership during the notification period. The member is required to return the security access toggle to the Shire of Morawa within the notification period and no later than the day the cancellation takes effect.
5. All applications to cancel a membership must be made in writing by emailing admin@morawa.wa.gov.au and providing your name, membership number, cancellation reason and date for cancellation (which must be at least 14 days after the date of the email).
6. Cancellations and refunds are processed at the end of the notice period, and all refunds are processed by the Shire of Morawa accounts payable department.
7. If a refund request is approved by the CEO of the Shire of Morawa by members meeting the cancellation requirements as stated in this Policy under 4., 5. and 6., the refund shall be calculated on a pro rata basis. The calculation shall be the paid membership fee for the entire period relative to the time used at the Morawa Gym. For example, if a member paid a 6-months fee and wishes to cancel after three months, the refund – if approved by meeting the requirements – will be 50% of the fee paid (after discount).
8. In case of any disputes pertaining to the contents of this Policy, the CEO of the Shire of Morawa will have the final say in the matter. No appeals can be sought by any member.
9. Bond refunds for security access toggles will only be processed through EFT payment.
