Two key criteria are:

- (1) activities or endeavours that will provide community or welfare benefit to persons who are ordinarily resident in the Area; or

How much can you apply for?

You can apply up to a preferred maximum of \$10,000 in any single application in a financial year. This amount can be referred to as a grant, donation, or a sponsorship. Requests for grant amounts above \$10,000 are not prohibited but will be subjected to greater scrutiny

and will require a suitable business case/cost benefit analysis to justify the larger funding amount.

How and when can you apply?

Applications received by July will be assessed for that calendar year's grant. The grant will be advertised yearly from May to July (subject to funds being available), with the intention of the grant being awarded in August. You can apply for this grant by downloading the grant application form from the Shire's website and submitting to ea@morawa.wa.gov.au or requesting a printed copy from the Shire Administration Office and either emailing to the above email or returning to the Shire Administration Office.

How do I acquit my Funds?

As a local government the Shire of Morawa must account for our spending. As such, like most grants, it is important that recipients provide documentation to demonstrate how the funds were spent. This can be done by attaching receipts and any other relevant documents to the completed acquittal form, available on the Shire's website or a printed copy can be requested at the Shire Administration Office. The form needs to be completed and returned to ea@morawa.wa.gov.au or the Shire Administration Office no later than 2 weeks from completing the event, activity, or project. In addition, a small blurb about the event, activity, or project with an image must be submitted to be used for promotional purposes by the shire.
