**MSFFG16 – Shire of Morawa COVID-19 Recovery Response Package**

The COVID-19 pandemic has caused the forced temporary closure of public and commercial facilities and which has consequently led to limited access to essential services such as supermarkets. Due to the prohibition of public gatherings, it is expected that the economic and social impact to our community will be very high and very costly.

The Premier and Minister of Local Government have both urged Local Government Authorities to consider all financial measures to provide ongoing support to their local communities.

At a Special Meeting hold on 2 April 2020, Council sought to support the local Morawa community by resolving as follows:

*“That with respect to COVID-19 Emergency Responses, Council resolve to:*

- 1. Set up a temporary COVID-19 Emergency Response Reserve for the maximum duration of 12 months commencing 2 April 2020; and*
- 2. Allocate (up to) \$110,000 from the Economic Development Reserve, \$30,000 from the Plant Reserve, and the balance (approx. \$50,000) from the Morawa Community Future Funds Reserve (subject to the Sinosteel Committee’s and Council’s approval) to the COVID-19 Emergency Response Reserve; and*
- 3. Provide one month’s local public notice of the proposal to allocate the proposed funds to the COVID-19 Emergency Response Reserve to the Shire’s Operational Budget enabling support to be provided to the local community; and*
- 4. Adopt the Shire of Morawa – COVID-19 Community Recovery Package (Attachment 11.2.1A); and*
- 5. Authorise the Chief Executive Officer (after consultation with the President) in advance under section 6.8(i)(b) of the Local Government Act 1995, to expend the allocated budget of the COVID-19 Emergency Response Reserve generally in accordance with the Shire of Morawa – COVID-19 Community Recovery Package (Attachment 11.2.1A); and*
- 6. Request the Chief Executive Officer to develop the financial budget for the year 2020/21 based on a nil increase for Rates, Fees and Other Statutory Charges; and*
- 7. When preparing the 2020/21 Budget, Council consider measures (either temporary or long term) associated with limiting the economic and/or social impacts or the associated recovery of COVID-19 for rates payers by, but not limited to:*
  - a) Inviting rate payers to pay their leviable 2020/21 Rates on a monthly basis in addition to the standard quarterly payments; and*
  - b) Waiving the 5% per annum interest surcharge for monthly or quarterly payments of leviable rates 2020/21; and*
  - c) Providing a 5% discount to rate payers on their 2020/21 leviable rates if they pay their levied rates up front as a lump sum to cover the fiscal year (1 July 2020 to 30 June 2021); and*
- 8. Authorise the President and the Chief Executive Officer to commence the lobby for additional State and/or Federal funding relating to the direct and indirect expenditure of COVID-19 related issues.”*

By Council supporting the *Shire of Morawa – COVID-19 Community Recovery Package ('Package')*, the Shire will, amongst other strategies,

- Endeavour to spend as much as possible locally,
- Will bring purchases of plant and projects forward; and
- Will invest in the development of recovery strategies from the effects of the pandemic.

The *Package* is provided as **Attachment 1 - 5.6a**.

The *Package* is intended to support the community over the next 12 months, however, there are many unknowns. Therefore, this package may need to be reviewed and restructured as the pandemic continues to ensure that it continues to effectively meet the needs of the community.

The Morawa Sinosteel Future Fund Committee will note that Part 2 of the resolution addresses the funding allocation of the *Package to be \$190,000 with “..... the balance (approx. \$50,000) from the Morawa Community Future Funds Reserve (subject to the Sinosteel Committee’s and Council’s approval)....”*

The Shire requests that the Committee approve the allocation of \$50,000 to be available for the direct benefit of the Morawa community as part of the *Package*.

## **LEVEL OF SIGNIFICANCE**

Very High – economic and social impact of the COVID-19 disease may be extremely high therefore requiring adequate preparations and precautionary measures be put in place.

## **LEGISLATION AND POLICY CONSIDERATIONS**

- Morawa Sinosteel Future Fund Deed of Agreement
- *Shire of Morawa Purchasing Policy*

## **FINANCIAL AND RESOURCES IMPLICATIONS**

The allocation of funds to a temporary emergency reserve poses several financial and resources implications.

These may prove to be significant over time. These are unprecedented times and as such warrant an extreme approach to implement recommended measures.

## **RISK MANAGEMENT CONSIDERATIONS**

Whilst the risk to the Morawa Sinosteel Future Fund is low, the Council’s Risk Management Policy (Policy 3.3) has identified several risk categories and mitigation strategies to the broader community from COVID-19 as follows:

Risk Category	Risk Description	Likelihood and consequence	Risk Rating	Mitigation Strategy	Residual Risk Rating (consequence change only)
Financial	The risk of spending too much on or not enough on the consequences of the pandemic as the Shire	L: Almost Certain C: Extreme	Extreme	Set up of COVID-19 Emergency Response Reserve. Establish adequate authorisations and delegations to the CEO	High
Social – Economic	Foreclosure of businesses may lead to rate payers defaulting on payable rates, fees and charges People losing their jobs may lead to social challenges	L: Likely C: High	High	Support local businesses with expenditure up.	High

### Section 4: Project Summary

Briefly describe the project, its achievements, and benefits to the community. Include how many people participated if relevant. This blurb, or part thereof, may be used to promote the Morawa Sinosteel Future Fund.

The morawa swimming club with support from the Morawa Shire & the sinosteel grant, erected a new storage & equipment shed @ the Morawa Swimming Pool. The new shed provides storage for swimming club equipment which enables the club to grow & thrive & teach the children of Morawa & surrounding areas the vital skill of swimming. Swimming promotes health, builds endurance, muscle strength, cardiovascular fitness, wellbeing & friendships. Members range from 5 years to 15 years & the club encourage anybody who is willing to participate. This new shed enables the club room to extend our equipment range to offer members and increase their skills. We would like to thank the Sinosteel Grant & the Shire of Morawa for their generous contribution & support for this project.

### Section 5: Financials

### Section 3: Project / Event Details

<b>Project / Event Title</b>	Swimming club shed
Summary of project: <i>Please clearly state the objective and the target audience of the project? (Maximum of 50 words)</i>	To purchase and erect a new storage & equipment shed at the Morawa Swimming Pool.
What is the community need that this project is addressing: <i>(Where possible please provide evidence of this need – For example, statistics, letters of request, media stories etc demonstrating the need)</i>	The new shed will provide storage for swimming club equipment including: lane ropes, diving blocks, flippers, kickboards, & chairs. The current shed is in poor condition creating safety & security issues. It is also inadequate size to house our key equipment.
Who is the project targeted at? Please provide details regarding groups within the community to whom the project is targeted at – for example, youth, elderly, people with a disability – and provide an explanation as to why they are a priority?	The project will benefit our members which range from 5 years to 15years of age. For the children of Morawa and surrounding areas, swimming is apart of life. The extreme temperatures in summer in Morawa means that local children are regularly at the pool. All children are encouraged to join in and participate.
Why should this project be a funding priority for the Morawa Sinosteel Future Fund Trustee?	The Morawa Swimming club have a pro active committee dedicated to teaching children the vital skill of swimming. The new shed will enable our group to grow and thrive by housing our much needed equipment.

RE: Application to the Morawa Sinosteel Future Fund grant – Morawa Amateur Swimming Club

On behalf of the Morawa District High School I am writing in support of the application from the Morawa Amateur Swimming Club, for funding from the Morawa Sinosteel Future Fund, to provide a new Swimming Club equipment shed at the Morawa Swimming Pool.

The Morawa Amateur Swimming Club has for many years provided a valuable community service by developing strong and confident swimmers and providing opportunities to travel and compete with other Swimming Clubs across Western Australia.

The Morawa Amateur Swimming Club has long supported Morawa District High School by providing, maintaining and storing the equipment needed to support in-term and vacation swimming classes and to run and host successful interhouse and interschool swimming carnivals.

The construction of a new equipment shed will see the Morawa Amateur Swimming Club continue to provide a much valued and needed recreational and sporting service to the community.

Your consideration of the application by the Morawa Amateur Swimming Club is appreciated.

Yours sincerely,

Tonia Carlslake  
Principal  
Morawa District High School

Mr Darren Yewers  
President  
Morawa Swimming Club  
C/O Post Office  
Morawa Wa 6623

Dear Mr Yewers,

**RE: 2019/2020 Sinosteel Future Fund Grant – Morawa Swimming Club Shed Proposal**

I have been informed that the Morawa Swimming Club will be preparing a Sinosteel Future Fund Grant submission relating to the provision of a new swimming club shed to be located at the Morawa Swimming Pool.

I wish to express support for the grant submission on the basis that:

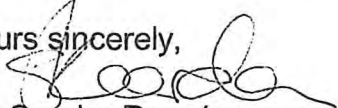

- The Morawa Swimming Club provides an important sporting and community service to Morawa and regional community.
- The existing Morawa Swimming Club shed, located at the Morawa Swimming Pool, is in poor condition, subject to rust, creating safety and security issues.
- The existing shed is considered to be of an inadequate size to house key Morawa Swimming Club equipment including lane ropes, timing equipment, spectator chairs and tables, training equipment and dive blocks.

As the Morawa Swimming Pool Manager, I see great benefits that the Morawa Swimming Club provide in delivering sporting services, social networks and an avenue for children participating in local and regional activities.

The proposal for grant funding to assist in the construction of a new shed would address the abovementioned issues associated with the current shed and allow for continuation of this key sporting club and associated service.

I would be more than happy to elaborate on the abovementioned information as part of the assessment of the Morawa Swimming Club grant submission.

Yours sincerely,

Ms Sandra Reardon

As posted on our Facebook page 12/05/2020

Our horse crush is completed and ready for use.

A big thank you to the Midwest Sino Steel Future Fund and the [Shire of Morawa](#) for providing the funding for this project. Local tradesman Tim Shields, College farm staff and Vocation Trainer and Assessor - Equine, Dominique Webb for all the design and construction.

This is a wonderful, industry standard asset, not only for the College, but for the broader Midwest equine community.

Extensions to the Archive room for the Storage of Collection. It will greatly assist the volunteers in their endeavours to keep collections safe and also to make the items easier to access as they will be stored on marked shelving. Two people participated in the building process with our President, Tom Johnson doing the majority of the work involved. The building which includes the addition of fluorescent light (funded by MDTIS inc) is such a benefit and a great effort by Tom to produce a first class building.

The installation of the new reverse cycle airconditioning unit has made the current working environment more comfortable for participants. During the colder weather we have been able to use the reverse cycle system to provide a warm and inviting space for our members to undertake their craft activities. It is anticipated that as the weather warms up this will move to the cooling system. To date we have been averaging a 30% increase in attendance as a direct result of the new improved system.

### Section 2: Contact Details

<i>Does your organisation/ Group have an ABN?</i>	YES  If Yes, provide your ABN below  74 319 280 859
<i>Is your organisation / Group Registered for GST?</i>	NO
<i>Is your organisation / Group Incorporated?</i>	YES If Yes please attach a copy of the certificate to this application
<i>What are the Aims &amp; Objectives of the Organisation / Group?</i>	To provide support by means of fundraising for the students of the Morawa District High School Brass Band, enabling participation in all Band activities, including performances, to build an effective group, promoting citizenship and team cohesiveness.

Has your organisation/group received any funding before from the Morawa Sinosteel Future Fund, or from the previously known Morawa Community Trust?

YES

If Yes, please complete details below.

Year	Amount \$	Purpose
2013	\$10,000	50th Anniversary celebration event of the Morawa DHS Brass Band, including production costs of a Band CD and History Book
2019	unknown	P&C received funding to purchase a new trailer for general school and Band use. This application was not made by the Band Committee.

### Section 3: Project / Event Details

Project / Event Title	
<p><b>Summary of project:</b> Please clearly state the objective and target audience of the project. (maximum 50 words)</p>	Instruments and chairs upgrade
<p><b>What is the community need that this project is addressing?</b> Where possible please provide evidence of this need – For example, statistics, letters of request, media stories etc that demonstrate the need.</p>	<p>Some of the current cornets that the band students are using are over 30 years old. They are shabby and constantly in need of repair. As a consequence the Band Committee has to hire some cornets from the Education Department at an annual cost of \$110 each. By owning more of their instruments, the Band Committee will reduce these hire costs, saving hundreds of dollars every year that can then be spent directly on supporting and benefiting the band students. The chairs that the band students use for rehearsals and school performances are also over 30 years old and becoming unsafe to sit on. Many have wobbly legs and their seats have surface damage. Broken chairs are disposed of, meaning there are less chairs than are needed, and other normal school chairs have to be used, creating a mismatched and unprofessional appearance.</p>
<p><b>Who is the project targeted at?</b> Please provide details regarding groups within the community to whom the project is targeted at – for example youth, elderly, people with a disability – and provide an explanation as to why they are a priority.</p>	<p>The project is targeted at the Youth of Morawa, in particular the students of the school Brass Band. Many families are not financially able to purchase an instrument for their child. By providing instruments for students to hire, it enables music learning and band participation for students who would otherwise</p>

	be excluded from this experience. A set of 'Band Chairs' creates a sense of ownership and belonging among the band students
Why should this project be a funding priority for the Morawa Sinosteel Future Fund Grant Committee?	This project directly benefits the Morawa community. The MDHS Band Brass Band has had a strong link to the Morawa community for 57 years, performing at various community events, including ANZAC services within the district, surrounding primary school tours, NAIDOC ceremonies, Christmas Carols, late night shopping, musical festivals and band competitions in Geraldton and Perth.
What is the <b>TOTAL COST</b> of the project?	\$9391.75
How much are you requesting? Are you contributing at least 30% of the total cost of the project?	The Band Committee is contributing 30% of the total cost of the project in cash. This equates to \$2817.52
Is this amount GST inclusive?	YES

## Section 4: Financial Details

### 4.1 - Project Expenditure Details

Details outlining the specific costs associated with the project are required. Supporting evidence such as copies of quotes for proposed goods or services to be used for the project must be included. Morawa Sinosteel Future Fund Grant Committee  
P.O. Box 14  
Morawa  
WA 6623

22 June 2020

Dear Karen & Sinosteel Grant Committee Members,

Understandably, our organisation was disappointed to have missed out initially on a Sinosteel Future Fund Grant, but thank you for the opportunity to resubmit our application with the recommended amendments.

We were somewhat taken aback by the request to acknowledge the Grant that the P&C Association received in 2019 for a trailer, as it was not our sub-committee that had made the application. A letter is attached from the P&C Association President, Haylie Cosgrove, confirming the independent financial arrangements of the P&C and the Band Committee, and acknowledging their successful 2019 Grant.

We have reviewed the required 30% co-contribution and will contribute this amount in cash. The Covid-19 pandemic caused the cancellation of the Australian National Band Championships, which the band was to have attended in April, and so our fundraising efforts will be redirected towards the instruments and chairs project.

We hope that this revised application will meet the requirements for your Committee's consideration.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read "Helen Walter".

To whom it may concern,

I am writing to you to confirm that the Morawa District High School Band committee is a **separate** sub-committee of the P&C. They undertake their own, individual fundraising and draw **no** financial support from the P&C.

The P&C Association Inc. was successful in receiving the Sinosteel Future Fund Grant in 2019. This was put towards the purchase of an enclosed trailer for the school, which is sometimes utilised by the band but also for numerous school camps.

Please do not hesitate to contact me on 0427 734 004 if you require any further information.

Kind regards

Haylie Cosgrove

To Whom It May Concern

RE: Application to the Morawa Sinosteel Future Fund grant from Morawa DHS P&C Band Committee to purchase 5 new cornets and 30 new band chairs.

On behalf of the Morawa DHS, I am writing in support of the application from the Morawa DHS P&C Band Committee for funding from the Morawa Sinosteel Future Fund, for the purpose of purchasing 5 new cornets and 30 new band chairs for the school band.

Morawa District High School Brass Band is the only Public School Brass Band in Western Australia and has a long and proud history, spanning fifty-seven years, of supporting and promoting our music program, school and town.

The Morawa DHS brass band is invited to perform at many local and regional communities throughout the year, including Anzac Day services in Morawa and Perenjori, NAIDOC celebrations, Mingenew Expo and at State and National Band Championships and competitions.

Many of our brass instruments, especially our cornets, are aging and becoming difficult to repair and replace. Your assistance with this will enable us to keep our Brass Band and Brass instrumental program strong.

Thank you for considering the request.

Yours sincerely

To whom it may concern,

RE: Sinosteel Future Fund Grant

I am writing to you to express my support of the current application for the Sinosteel Future Fund Grant by the M.D.H.S band committee.

The brass band has been an integral part of the Morawa District High School community for 60 years. Not only does it provide the opportunity for children to learn a new skill and be exposed to the benefits of music, it also gives them an opportunity to be a part of a positive group and learn responsibility and pride.

The brass band provides a wonderful service to our broader community and surrounding districts. They have performed at many ANZAC services in Morawa & Perenjori, late night shopping and numerous other celebrations that the community has had. The brass band along with the pop band students have also 'toured' other primary schools, to expose the students to the possibilities within music and to promote our fantastic music program here at Morawa D.H.S. They have also competed in a number of band competitions and also performed at the Geraldton Band Spectacular.

As a P&C body, we are very proud that the brass band is so successful as it provides these opportunities to students who may otherwise miss the chance to learn a new skill. There may be an amazing talent within a student that might never be discovered if the band was not offered.

I feel that the purchase of new equipment is vital in the bands continuing success and allowing more students the opportunity to be exposed to music. Please consider the application with the benefits of our future adults in mind.

Kind regards

Haylie Cosgrove

### Section 3: Project / Event Details

Project / Event Title	
<p><b>Summary of project:</b> Please clearly state the objective and target audience of the project. (maximum 50 words)</p>	<p>The objective of this project is to upgrade some facilities at the Morawa Speedway Track. Since the Speedway re-open in early to mid 80's, some of the facilities have deteriorated. We are a family orientated sport that attracts many visitors to town, utilising local facilities &amp; businesses.</p>
<p><b>What is the community need that this project is addressing?</b> Where possible please provide evidence of this need – For example, statistics, letters of request, media stories etc that demonstrate the need.</p>	<p>The Speedway club requires financial assistance for some minor upgrades to enable the continuation of the sport. The community benefits from a massive influx of visitors to Morawa on speedway weekends.</p>
<p><b>Who is the project targeted at?</b> Please provide details regarding groups within the community to whom the project is targeted at – for example youth, elderly, people with a disability – and provide an explanation as to why they are a priority.</p>	<p>This projected upgrade of facilities provides the youth a safe place to go to improve driving skills and burn-outs. Providing these facilities encourages them not to use other public places eg: Public roads and unsafe open spaces. Youth as young as 10 yo actually participate in motor sport as a family sport, along with Dad (and Mum) racing as well. Speedway is a sport for all ages.</p>
<p><b>Why should this project be a funding priority for the Morawa Sinosteel Future Fund Grant Committee?</b></p>	<p>As the Morawa Speedway draws 80% of visiting competitors and spectators to Morawa who shop and support local business we see this funding application as a priority, to complete these tasks to be able to run events. As we are hosting a Race Meeting on the 10th October, 2020, which includes the V8 Non-wing</p>

	Sprints State & National Title, Country Round for the Pro-Modifieds, along with all other divisions --- AND hosting the Annual Fireworks Display. As we went thru a period with Covid where we weren't able to host Events, we took the opportunity to begin upgrades, but are at the stage where we require funding assistance to complete tasks prior to Oct 10th. We see this project a priority as following Covid-19, we require some urgent assistance to a. Complete the expansion of the burn-out pad; b. Place the Commentry/Lap Scoring Room in place c. Replace PA System and Fence Speakers
What is the <b>TOTAL COST</b> of the project?	\$14266.00
How much are you requesting? Are you contributing at least 30% of the total cost of the project?	\$9986.20
Is this amount GST inclusive?	Yes

### Section 3: Project / Event Details

Project / Event Title	
<p><b>Summary of project:</b> Please clearly state the objective and target audience of the project. (maximum 50 words)</p>	<p>The objective of this project is to upgrade some facilities at the Morawa Speedway Track. Since the Speedway re-open in early to mid 80's, some of the facilities have deteriorated. We are a family orientated sport that attracts many visitors to town, utilising local facilities &amp; businesses.</p>
<p><b>What is the community need that this project is addressing?</b> Where possible please provide evidence of this need – For example, statistics, letters of request, media stories etc that demonstrate the need.</p>	<p>The Speedway club requires financial assistance for some minor upgrades to enable the continuation of the sport. The community benefits from a massive influx of visitors to Morawa on speedway weekends.</p>
<p><b>Who is the project targeted at?</b> Please provide details regarding groups within the community to whom the project is targeted at – for example youth, elderly, people with a disability – and provide an explanation as to why they are a priority.</p>	<p>This projected upgrade of facilities provides the youth a safe place to go to improve driving skills and burn-outs. Providing these facilities encourages them not to use other public places eg: Public roads and unsafe open spaces. Youth as young as 10 yo actually participate in motor sport as a family sport, along with Dad (and Mum) racing as well. Speedway is a sport for all ages.</p>
<p><b>Why should this project be a funding priority for the Morawa Sinosteel Future Fund Grant Committee?</b></p>	<p>We see this project a priority as following Covid-19, we require some urgent assistance to</p> <ol style="list-style-type: none"> <li>Complete the expansion of the burn-out pad;</li> <li>Place the Commentary/Lap Scoring Room in place</li> <li>Replace PA System and Fence Speakers</li> </ol>

<b>PROJECT:</b>	PA System	<b>PAGES:</b>	2

Dear Shirley

We are pleased to submit our proposal for the supply of a PA system. As per your request we have prepared a cost to supply a Public Address system for you to install at your Speedway Track in Morawa. We have allowed to supply all equipment that will be required to complete the works including cable which unlike the one you mentioned that you have in stock. it is a heavy duty cable (2mm per core) which is what we would recommend on a cable run length you have indicated. We will make an equipment rack in our workshop holding the Mixer, Amplifiers and radio microphone receivers. The remote antennas for one of the radio microphone receivers will be built into a weatherproof box and two 58ohm cables will be supplied to install remote antennas at the bottom of the tower to increase the range of one of the microphones while the other will be used in the tower. We have allowed for the supply of 18 30watt TOA horn speakers which we will tap at 20watt each, this should give you excellent cover throughout. The area around the tower to 50-60m

Our proposal allows for;

- 1 x 12U Equipment Rack
- 1 x 2U Power Board
- 3 x Rack Vents
- 1 x 8 channel 100v live mixer
- 2 x 250watt Power Amplifiers
- 2 x Wireless 700Ch Receiver
- 2 x Radio Microphones
- 1 x Rack mount Kit for radio Receivers
- 2 x Antenna Booster
- 18 x TOA 30watt 100v line Horn Speakers
- 7 x 100mt Heavy Duty 85/0.30 cable (2mm per core)
- 2 x Leads for remote antennas
- 1 x Mounting Box for Antenna

Labour to build rack, cable and sundry items listed above

Our Price **\$9,230.00** plus \$923.00 GST

**NOTE:** Freight cost not included.

**Clarifications:**

- Proposal based on work being conducted during normal business hours.
- Copy of invoice must accompany all warranty claims
- Our quotation is valid for 30 days.

Public Address \* Audio Visual \* MATV \* CCTV \* Access Control \* Intercom \* Security \* Nurse Call \* QSR

- Payment terms: A deposit may be required, COD and existing accounts
- These goods and services are supplied to you pursuant to Techwest Solutions Pty Ltd Terms and Conditions. A copy of these terms and conditions can be obtained for [admin@techwestsolutions.com.au](mailto:admin@techwestsolutions.com.au) or by calling (08)9445 8844

We trust the proposal is to your approval however should you have any further queries please do not hesitate to give me a call.

To whom it may concern

**Re: Morawa Speedway**

I write in support of the Morawa Speedway's application for a Department of Sport & Recreation Community Sporting and Recreation Facilities Fund grant to upgrade their facilities.

The Morawa Speedway serves an important recreational and social role in this community, providing a racing venue for local and statewide competitors. The club caters for junior and adult competitions and promotes safety as a key objective. Discussions are ongoing to involve students from the local Morawa Agricultural College to a greater extent in the future.

The club consistently makes upgrades to its facilities but there is now a need for funding to conduct safety upgrades in line with Speedway Australia specifications. As a Grade 1 track, there is a need to rewall the track to a height of 1.2 metres and with concrete that is 100mm thick. In addition some of the wire safety rope that keeps spectators safe needs to be replaced.

Having personally visited the track, I fully endorse this application and wish the Morawa Speedway well in progressing this project.

Yours sincerely

To Whom It May Concern:

Dear Sir/Madam,

I write this letter in support of Morawa Speedway's application for funding.

Last year was Morawa Speedway's fiftieth season of operation. Since 1969 the track and the club have brought thousands of people to the community and provided much needed sporting and entertainment opportunities for participants and spectators alike.

As a long time supporter of speedway with substantial involvement in the sport across Australia I applaud the efforts of the Morawa club and their attitude in maintaining a valuable asset for the town.

It is essential as the sport of speedway progresses to ensure that all facilities meet the necessary safety specifications of Speedway Australia at a national level and the WA Speedway Commission at a State level.

To this end Morawa Speedway has identified some specific safety projects. These projects should be endorsed and supported with adequate funds to enable the track to maintain its excellent safety record.

Yours in speedway

Grant Woodhams

Dear Shirley,

As discuss last week, with WA Pro Modified organizing future International events for Morawa Speedway in the Future, It is possibly the right time to work out Facility upgrades for the Morawa Speedway over the next 12 - 18 months.

Although we had to cancel the Koala Solar USA vs WA Pro Modified Series this past March due to the Covid-19 Virus, the amount of attention it had received both locally and Internationally exceeded our expectations with over 9200 hits on the Advert for the Series on the WA Pro Modified ad Associated Facebook pages.

As you know, at Most WA Pro Modified events at Morawa Speedway, not only our category, but all of the supporting Categories bring thousands of dollars in the Town and Region with each event.

For instance at our last event in Morawa back in January 2020, the Morawa Hotel was booked out, the Morawa Caravan park Chalets and Units were all booked out, with competitors and families all generating income for the Town via the Local IGA, Road House, Hotel/Pub and Utilize the pristine facilities of the Local Pool (Something my kids look forward too with every visit).

With the recent announcement that the Western Australian Government will be fast tracking funding for Regional Sporting clubs to improve facilities to help get the economy moving again, I believe it is the right time to work with the Morawa Shire as with the assistance of the WA Speedway Commission to access critical funding to improve the Morawa Speedway Venue to host Major events into the future for the Benefit of the Sport of Speedway, but also the Town of Morawa and the Surrounding Regions.

As we Discussed, the Recommended initial funding would be for the following:

- New Onsite enclosed club rooms and canteen facility for racing events and Club Social events.
- New Permanent Male/Female/Disabled Toilet and shower block for Spectators and campers.
- Shire Standard Children's Play Ground with Shade sails
- Upgraded Race Track Concrete Safety fence.
- Replace and upgrade Race Track Safety Catch Fence
- New LED Track Lighting for improved visibility for Drivers/ Spectators, Officials and Filming of events
- New Scrutineering Shed for Vehicle inspections and Sign in with built in Toilet block for competitors and Crew members.

All of the above could be achieved with a funding Plan set out over 12 to 18 month period for the venue. Many Speedway Clubs/ Tracks around Western Australia receive funding to improve their Facilities including Kellerberrin, Albany, Moora and Collie. For instance, Kellerberrin Speedway Club with the help of Mia Davies MLA and The WA Speedway Commission received up to \$100 000 in funding to improve their facilities in 2018.

I believe with the Future events we are planning with WA Pro Modified into the Future, will bring more and more people to the Morawa Speedway and the Town of Morawa.

Best regards

Dear Sir/Madam

**Proposed transportable room with glass frontage for use as a commentary room  
Lot 1 Club Road, Morawa**

Council, at its ordinary meeting held on 17 October 2019, considered the above application and resolved to grant Development Approval as per the attached Determination on Application for Development Approval No: 07/19.

**PLEASE NOTE: This Development Approval DOES NOT constitute a building permit, for which a separate application must be made to the Shire. It is your responsibility to ensure a copy of this development approval and the approved plans are submitted with the building permit application and that the plans approved with this development application correspond with the submitted building permit application. You must not commence development until you have obtained a building permit, together with any additional approvals which may be required from other Government Agencies under separate legislation. It is your responsibility to obtain any additional approvals required before the development / use can lawfully commence.**

**This Development Approval DOES NOT negate the requirement for any additional approvals which may be required from other Government Agencies under separate legislation. It is your responsibility to obtain any additional approvals required before the development / land use can lawfully commence.**

**AS ADVICE ONLY: The Shire has identified the following issues that may need to be further investigated should you intend to proceed with the development / land use:**

1. The development is to comply with the National Construction Code Series.

With regards to item 1 you are advised to further liaise with the Shire.

Unless otherwise stipulated, all the conditions of the enclosed Development Approval are to be complied with to the satisfaction of the Shire **PRIOR** to use of the

development. In this regard you should contact the Shire at least 7 days prior to arrange a final inspection.

Should you have any queries or require any further information please do not hesitate to contact the Jenny Goodbourn on 9971 1204.

Yours faithfully

**NOTICE OF DETERMINATION ON APPLICATION FOR DEVELOPMENT APPROVAL**

*Planning and Development Act 2005*

**Shire of Morawa**

Proponent: **Morawa Speedway Association (INC)**

Lot/Location No: **1**

House/Street No:

Street Name: **Club Road**

Locality/Suburb: **Morawa**

Application date: **31 May 2019**

Received on: **31 May 2019**

Description of proposed development/land use: **Transportable room with glass frontage for use as a commentary room**

Date of Determination: **25 October 2019**

The application for development approval is approved subject to the following conditions:

1. Development shall be in accordance with the attached approved plan(s) dated 25 October 2019 and subject to any modifications required as a consequence of any condition(s) of this approval. The endorsed plans shall not be modified or altered without the prior written approval of the local government.
2. Development shall be in accordance with the approved plan(s). The endorsed plans shall not be modified or altered without the prior written approval of the local government.
3. The development/land use is to be located entirely within the property boundary.
4. The development shall be consistent or complementary in colour with the existing building to the approval of the local government.
5. All stormwater is to be disposed of on-site to the approval of the local government.
6. Any lighting device is to be positioned and shielded as not to cause any direct, reflected or incidental light to encroach beyond the property boundaries or cause any glare nuisance to any nearby residents or passing motorists.
7. The land use hereby permitted shall not cause injury to or prejudicially affect the amenity of the locality by reason of the emission of smoke, dust, fumes, odour, noise, vibration, waste product or otherwise.

8. A schedule of the colour and texture of the building materials, demonstrating that the proposed development complements the surrounding area, must be submitted to and approved by the local government, prior to lodging an application for a building permit. The development must be finished, and thereafter maintained, in accordance with the schedule provided to and approved by the local government, prior to occupation of the development.

Advice Notes:

- a. With regard to Condition No. 3 it is recommended that the services of a licensed surveyor be employed to verify the exact boundary position.
- b. With regard to Condition No.5 on application for a building permit a detailed design of stormwater collection and disposal system of developed areas is to be supplied.

Notes:

- i. If the development, the subject of this approval, is not substantially commenced within a period of 2 years after the date of determination, the approval shall lapse and be of no further effect.
- ii. Where an approval has so lapsed, no development shall be carried out without the further approval of the local government having first been sought and obtained.
- iii. If an applicant is aggrieved by this determination there is a right (pursuant to the *Planning and Development Act 2005*) to have the decision reviewed by the State Administrative Tribunal. Such application must be lodged within 28 days from the date of determination.
- iv. Any additions to or change of use of any part of the building or land (not the subject of this approval) requires further application and development approval.

### **Section 3: Project / Event Details**

<b>Project / Event Title</b>	
Summary of project: Please clearly state the objective and target audience of the project. (maximum 50 words)	To provide affordable tennis coaching to all community tennis members and provide equipment in which enables our club to offer both social tennis, competition tennis and coaching to our community.
What is the community need that this project is addressing?	Tennis coaching develops physical agility, balance, coordination and speed.

W:\04 Governance\Council Meetings\Committees\Morawa Sinosteel Future Fund Committee\Future Fund Docs\

Where possible please provide evidence of this need – For example, statistics, letters of request, media stories etc that demonstrate the need.	Tennis coaching provides children and adults with a safe and respectful environment to make friendships. It teaches competition, respect and builds character. Tennis also develops concentration, listening skills and builds self esteem, health, wellbeing and fitness.
Who is the project targeted at? Please provide details regarding groups within the community to whom the project is targeted at – for example youth, elderly, people with a disability – and provide an explanation as to why they are a priority.	All ages All skill levels
Why should this project be a funding priority for the Morawa Sinosteel Future Fund Grant Committee?	To continue to allow the Morawa Tennis Club the opportunity to offer the Morawa Community a safe, fun and affordable place in which to participate in playing the sport of tennis and to continue to improve the skills of participants.
What is the <b>TOTAL COST</b> of the project?	\$5733.20
How much are you requesting? Are you contributing at least 30% of the total cost of the project?	\$4013.20 Our bank account stands at \$32932.23 in which we have been fundraising for new courts which will be required in the next two years. We will contribute 30% including cash and in kind donation of \$480 for advertising and assistance with organising coaching. 2 x people for 2 hrs each coaching day.
Is this amount GST inclusive?	Yes

#### **Section 4: Financial Details**

To whom it may concern,

I'd like to address Morawa Tennis Club's GRANT application to Sinosteel in relation to the coaching part of their application. On behalf of the Club I'd like to address that there is only 1 Professional Coaching Business that is Tennis Australia endorsed / accredited and is available to service the area of Morawa. To have the services of Suncity Tennis Academy / Remote Tennis Services Australia making themselves available to the area of Morawa considering it's small country location is a great opportunity and I look forward to that Coaching Business growing the participation of Tennis in the area, particularly targeting Juniors in remote country areas which is a critical element of our Sport.

For anymore information or to discuss further please be in touch with myself direct.

Yours Sincerely,

Sinosteel Grant Application- Letter of Support for Morawa Tennis Club

10<sup>th</sup> September 2020

To whom it may concern,

I am writing to offer my support to the Morawa Tennis Club Inc in their application for a Sinosteel grant to go towards the tennis coaching program, new tennis balls and new tennis nets.

During the summer months the tennis club is a social centre for the community of Morawa offering a place to play tennis in a fun environment that is family friendly and welcoming of people of all backgrounds and tennis skill levels.

The tennis coaching program has been a huge success over the past few years and it is very exciting to see the numbers and enthusiasm for tennis increase year after year and this grant will help them ensure the program is financially accessible for all.

I wish the club well on their application and hope you look upon their application favourably.

Regards

Mia Andrews
