

*Hello Everyone*

*On behalf of the Shire I would like to wish everyone involved in the upcoming harvest all the very best for a safe and productive season. We understand it will be very busy on the roads so please take care and if you have any concerns with regard to the roads please let us know as soon as possible. The Shire will be proactive in this space and we have our graders placed at the following locations; Canna, West Pintharuka, Koolanooka and the water truck will be on standby to flood areas that break up.*

*As many of you know the swimming pool was drained in the last few weeks to facilitate an inspection of the pool and in particular the dive bowl, which had a riser valve failure which has also lifted the surrounding tiles. Following inspection our insurer has accepted our claim and we have now been able to engage a pool contractor to undertake the repair works. We are expecting work to commence the week starting Monday, 29 October 2018. I will provide further information about the process and the reopening once the contractor has provided the final timeline for the works.*

*Regards, Chris*

## PLANET PARTY

We had approximately 50 people attend our very first **Planet Party!** A big thanks to Galaxy Girl - [Carol Redford](#). Despite the poor weather we had great fun learning about telescopes and the amazing planets in our Universe. Huge thanks to Simon Taylor for volunteering his time to cook the sausage sizzle and a special thanks to Rowan Smith for taking photos on the night. It will be great to do this again!

## MOSQUITO FOGGING

We will be fogging for mosquito control regularly during the evenings for the next few months.

People with fish ponds please take the necessary precautions, to protect your fish.

## **VERGE PICK-UP**

**Monday, 29 October**

Your waste must be separated as follows:

- Green waste in one pile
- White goods in one pile
- Everything else in one pile

Obsolete vehicles and wrecks on vacant land and street verges within the Morawa Townsite can be removed by calling the Shire Admin Office on 9971 1204.

Waste can be put out up to one week prior to Verge Pick-up. Please note that tyres cannot be picked up.

# Shire Snippets
