

Morawa Town Hall - Kitchen Project

Update # 2 – 29th November 2018

The Shire of Morawa is pleased to advise the community that works on the Morawa Town Hall Kitchen Project will commence tomorrow – Friday 30th of November 2018.

Works scheduled to commence from Friday the 30th of November are

- Bricking up of the south facing window in the kitchen.
- Removal of crockery and utensils etc from the kitchen into Lesser Hall.
Ready to be catalogued and packed away until the kitchen is complete.

Works scheduled to commence from Monday the 3rd of December are

- Isolate and disconnect electricity to Kitchen
- Commence strip-out of Kitchen

Again, please note that the Town Hall Kitchen Facility and Lesser Hall will be unavailable for hire until these works are completed. The Main Hall will be available to be used on the basis that you do not require the kitchen or lesser hall facility. If hiring the main hall during this period please discuss with us first as there may be some noise that may impact on your event.

The Shire of Morawa will continue to keep you up to date on the works as they progress. So please keep an eye on our Facebook Page and our website Project page.
