- (d) MSFFG5 Morawa CRC

SIMPLE MAJORITY VOTE REQUIRED

PURPOSE

The purpose of this report is to provide acquittal information to the Morawa Sinosteel Future Fund Committee regarding the awarded grant recipients from the 2018-2019 grant round.

DETAIL

The 2018-2019 Grant funding round saw seven applications received. Five (5) of those applications were approved by the Morawa Sinosteel Future Fund Committee and subsequently endorsed by the Shire of Morawa Council in line with the Morawa Sinosteel Future Fund Deed of Agreement.

Details of grant recipients are outlined in table 1 on the following page. Acquittals have been received from:

- MSFFG1 Morawa District Historical Society
- MSFFG3 RadioMAMA
- MSFFG4 MDHS P&C Association Ltd
- MSFFG5 Morawa CRC

Acquittal documentation for each organisation has been attached for your consideration. The staff from the Shire of Morawa are working with the Morawa Darts Association who have cancelled their scheduled event. Details about this will be provided in a separate report.

5.2 Morawa Sinosteel Future Fund Grant Applicants Round 1 2019/2020

Author:	Economic Development Manager
Authorising Officer:	Chief Executive Officer
Disclosure of Interest:	The Author and Authorising Officer declare that they do not have any conflicts of interest in relation to this item.

OFFICER'S RECOMMENDATION

That the Morawa Sinosteel Future Fund Committee approve the following grant application requests and refer to Council for their endorsement and actioning:

1. Morawa Golf Club grant request of \$6,666.66
2. Edith Cowan University (TLG) grant request of \$7,000
3. Morawa Amateur Swimming Club grant request of \$10,100
4. WA College of Agriculture - Morawa grant request of \$15,950

SIMPLE MAJORITY VOTE REQUIRED

PURPOSE

To provide the Morawa Sinosteel Future Fund Committee information regarding applications to the 2019/2020 Round 1 Morawa Sinosteel Future Fund Grant scheme.

DETAIL**Funds Available for 2019/2020 Allocation**

In adherence with the Morawa Sinosteel Future Fund Deed of Grant, 85% of the interest accrued during the 2018/2019 financial year has been allocated to the grant fund.

As at 30 June 2019 the Future Fund Interest Reserve Account had \$240,224.30.

The total amount of interest earned in the 2018/2019 year was \$38,225.60.

The Morawa Sinosteel Future Fund Deed of Agreement states that only 85% of the previous years interest earned is to be transferred to the Future Fund Interest Reserve Account. As such, the 2018/2019 interest transferred to the Future Fund Interest Reserve Account was \$32,491.76.

This means that there is now \$272,716.06 available for administration from the Future Fund Interest Reserve Account.

Grant Applications - Round 1 2019/2020

Four grant applications were submitted for assessment by the Committee for the current funding round. These were from the Morawa Golf Club, Edith Cowan University, Morawa Swimming Club,

and the WA College of Agriculture, Morawa (WACOA-M). Further information about each grant is provided below. A copy of the evaluation form is attached – *Attachment 5*.

1. Morawa Golf Club

The Morawa Golf Club provides a valuable social and recreational service to the community and is managed by a team of volunteers. They are requesting support from the Morawa Sinosteel Future Fund Committee to purchase a new tractor to assist them in their mowing maintenance activities.

In line with the Shire of Morawa's Purchasing policy the Morawa Golf Club have provided 4 different quotes for various options that they have identified as being appropriate. Their first preference is Option 4 – Kubota M7040, 70HP, 2WD ex-turf mowing company that will cost \$10,000 including GST.

As such, the Morawa Golf Club have requested \$6,666.66 from the Morawa Sinosteel Future Fund. The Morawa Golf Club's financial contribution will be \$3,333.33 – *Attachment 1*.

2. Edith Cowan University – Teach Learn Grow Program

The Edith Cowan University runs a mathematics tutoring program in rural and remote schools in Western Australia to address educational disparity. They achieve this through the Teach Learn Grow (TLG) Program. As a part of this program their Perth based volunteers will provide free one-on-one mentoring and mathematics tutoring to students experiencing educational disadvantage. TLG runs two biannual programs that consist of week-long blocks of intensive tutoring and mentoring. They have been visiting Morawa District High School (MDHS) since 2013 and have further added the provision of the e-Mentor program to MDHS since 2016.

Edith Cowan University will provide:

- \$5,000 in cash per annum to run the program.
- \$34,000 in per annum (16 volunteers @ \$25 per hour x 680 volunteer hours per block)
- Total \$39,000 in cash and in kind to run the programs

Edith Cowan University are requesting support from the Morawa Sinosteel Future Fund Grant to assist in the delivery of the program, in particular one Rural Program to the MDHS.

As such, the Edith Cowan University (TLG) are requesting \$7,000 from the Morawa Sinosteel Future Fund to assist in the delivery of this program. Since this is a unique service, they have provided the Morawa Sinosteel Future Fund with in-house costings for the proposed service delivery – *Attachment 2*.

3. Morawa Amateur Swimming Club

The Morawa Amateur Swimming Club provides swimming coaching and training opportunities to community members from Morawa and the surrounding areas. Participation provides opportunities to get healthier, develop cardiovascular fitness, increase feelings of wellbeing and social connection through friendships.

The Morawa Amateur Swimming Club are looking for support to purchase and install a new storage shed at the Morawa swimming pool. The current shed is in poor condition and is too small to house

all necessary equipment. As such a new shed will provide a safe space for swimming club equipment to be stored.

The proposed total cost of the project is \$23,612. This is based on quotes provided by Aussie Sheds and Central West Concrete. The Morawa Amateur Swimming Club have provided two quotes in line with the Shire of Morawa's purchasing policy.

The Morawa Amateur Swimming Club states that they can provide \$11,197 towards the delivery of the project:

- \$2,000 cash contribution
- \$500 voluntary labour
- \$8,697 co-cash contribution provided from the Shire of Morawa

As such the Morawa Amateur Swimming Club is requesting \$10,100 from the Morawa Sinosteel Future Fund – *Attachment 3*.

4. WA College of Agriculture – Morawa

The WA College of Agriculture – Morawa (WACOA-M) is seeking support from the Morawa Sinosteel Future Fund Grant scheme to assist in the purchase and installation of a veterinary equine crush. This crush facility will increase safety and productivity for those who use it, and which will include community members from across the region, even though it will be located at the WACOA-M facility.

The proposed total cost of the project is \$25,468. The WACOA-M have provided alternative quotes for the purchase of the crush and shelter in line with the Shire of Morawa's purchasing policy.

WACOA-M have outlined that their contribution to the delivery of the project:

- \$3,518 payment of the electrical works as per attached quote
- \$6000 in voluntary labour

As such the WACOA-M is requesting \$15,950 from the Morawa Sinosteel Future Fund – *Attachment 4*.

LEVEL OF SIGNIFICANCE

Low impact - Funds are available in the Morawa Sinosteel Future Fund Account

CONSULTATION

Has occurred with grant applicants.

LEGISLATION AND POLICY CONSIDERATIONS

- Morawa Sinosteel Future Fund Deed of Agreement
- Shire of Morawa Purchasing Policy

FINANCIAL AND RESOURCES IMPLICATIONS

There are minimal implications as there are ample funds available to be administer these grants.

RISK MANAGEMENT CONSIDERATIONS

Nil

CONCLUSION

The four applications total \$39,716. There are sufficient funds in the Future Fund Interest Reserve to cover these community focussed application requests. As such, it is suggested the Committee approve the four applications and recommend that they be sent to the Shire of Morawa Council for endorsement and actioning.

5.3 Morawa Sinosteel Future Fund Committee Members – Community Representative Roles

Author:	Economic Development Manager
Authorising Officer:	Chief Executive Officer
Disclosure of Interest:	The Author and Authorising Officer declare that they do not have any conflicts of interest in relation to this item.

OFFICER'S RECOMMENDATION

That the Morawa Sinosteel Future Fund Committee support the solicitation of new community representatives.

SIMPLE MAJORITY VOTE REQUIRED

PURPOSE

To provide information to the Morawa Sinosteel Future Fund Committee regarding the ending of the community representative roles and the requirement to advertise and appoint two community representatives for a new two (2) year term.

DETAIL

The Morawa Sinosteel Future Fund was set up by Sinosteel to assist community organisations by providing financial support for activities or endeavours that will provide community or welfare benefit to persons who are ordinarily resident in the area, or facilities or services that improve the welfare, culture or amenity of persons ordinarily resident in the area. A Public Benefit Agreement (PBA) was entered into by Sinosteel with the Shire of Morawa – *Attachment 1*.

A requirement, under clause 6.2 states that a committee consisting of five persons, being the Shire President, Deputy President, Shire CEO and two local community representatives. At the June 2018 Ordinary Council Meeting it was confirmed that the current two community representative roles would cease on 21 December 2019 (resolution 171209).

The current two community representative terms on the Committee ends on 21 December 2019. As such, it is important that expressions of interest for those roles be advertised as soon as possible. This will ensure time to assess applications and present to the Shire of Morawa's Council for appointment of the two community representatives. This will then ensure the continuity of the Committee's ability to administer the grant scheme in line with the Deed of Agreement.

A copy of the advertisement is attached – *Attachment 2*.

LEVEL OF SIGNIFICANCE

Medium - Without attracting and appointing appropriate community representatives to the Committee the Shire will not be able to administer the Morawa Sinosteel Future Fund Grants scheme in accordance with its obligations as set out in the Deed of Agreement.

CONSULTATION

Chief Executive Officer and Shire President

LEGISLATION AND POLICY CONSIDERATIONS

Morawa Sinosteel Future Fund Deed of Agreement

FINANCIAL AND RESOURCES IMPLICATIONS

Nil

RISK MANAGEMENT CONSIDERATIONS

It will be critical to ensure that new committee members are appointed in line with the timeframes. As such it is important that this advertising is put out as soon as possible to ensure that the new committee members can be appointed at the December 2019 Ordinary Council Meeting.

CONCLUSION

That the Morawa Sinosteel Future Fund Committee be aware of the advertising for new community representatives.

ATTACHMENTS

Attachment 1 - 5.3.a Deed of Agreement

Attachment 2 - 5.3.b Advertising of Community Representatives

5.4 Review of Grant Documentation

Author:	Economic Development Manager
Authorising Officer:	Chief Executive Officer
Disclosure of Interest:	The Author and Authorising Officer declare that they do not have any conflicts of interest in relation to this item.

OFFICER'S RECOMMENDATION

That the Morawa Sinosteel Future Fund Committee approve the changes made to the key documents provided.

SIMPLE MAJORITY VOTE REQUIRED

PURPOSE

Provide information to the Morawa Sinosteel Future Fund Committee about changes to the Morawa Sinosteel Future Fund Grant documentation.

DETAIL

Over the past year it appears that applicants have experienced some confusion in completing both the application and acquittal forms. As such, the administration reviewed these documents and made some minor changes that may assist in making these documents easier for applicants to complete and report against. Several changes have been made to the key documents and which are provided as attachments for the committee's consideration.

LEVEL OF SIGNIFICANCE

High impact – Simplifying these documents will make it easier for applicants to complete and may subsequently reduce administration time associated with clarifying finer details.

CONSULTATION

Consultation has occurred with applicants over the course of the year. In addition, discussion with the CEO has taken place to discuss some challenges with the documents.

LEGISLATION AND POLICY CONSIDERATIONS

- Morawa Sinosteel Future Fund Deed of Agreement
- Shire of Morawa Purchasing Policy

FINANCIAL AND RESOURCES IMPLICATIONS

Nil

RISK MANAGEMENT CONSIDERATIONS

Simplification of documentation will reduce compliance risks

CONCLUSION

It is recommended that that the Morawa Sinosteel Future Fund Committee approve the suggested changes to the key documentation to try to increase applicant compliance and staff administration times.

Disclosure of Interest: The Author and Authorising Officer declare that they do not have any conflicts of interest in relation to this item.

OFFICER'S RECOMMENDATION

That the Morawa Sinosteel Future Fund Committee note the current situation and support the administration in assisting the Morawa Darts Association to:

1. Complete their acquittal process
2. Return \$1,100.

SIMPLE MAJORITY VOTE REQUIRED

Item 6 Closure

There being no further business the Presiding Member to declare the meeting closed.

Section 4: Project Summary

Briefly describe the project, its achievements, and benefits to the community. Include how many people participated if relevant. This blurb, or part thereof, may be used to promote the Morawa Sinosteel Future Fund.

Radio MAMA in conjunction with Meedac were requested to do an outside broadcast of the MORAWA NAIDOC Day for 2019. This entailed travelling to Morawa from Geraldton to broadcast the events of the day, take photos, do a video, provide general sound for speeches and interview participants at the event. In all 4 people travelled to the event to capture the emotion of the day.

Our achievements included: a feature video of the day, broadcasts across the Radio MAMA network, including Geraldton, Carnarvon, Meekatharra, Mt Magnet and Mullewa. Interviews from key stake holders at the event are available. Recording of the days procedures are also available.

The benefits to the community are wide ranging from connecting with the community to providing a more permanent Indigenous Community Radio station based in the town.

Our promotion of the event, via live reads on air included "Radio MAMA appreciates the support of the Morawa Sinosteel Future Fund". On the day of the event our broadcaster thanked the Shire of Morawa and all the organisations for their support of the event. Attached are photos, live recordings of the event and a video (edited) of the day. Radio MAMA would dearly love to continue this new found partnership well into the future as NAIDOC celebrations for our organisation is one of our highest priorities.

△ There has been a letter received by Ellie from the P&C, an acknowledgement will be in our next newsletter & on both the school & P&C Facebook pages.

We are currently working on signage for the trailer.

Please let me know if there is anything further we need to do.

Thankyou

An Independent Public School

Morawa District High School P & C Association

Morawa Shire
Morawa WA 6623

On behalf of the Morawa District High School P & C Association Committee, students, staff & principal, I would personally like to take this opportunity to express our gratitude and thanks for your generous donations towards our recent Quiz Night.

The quiz and auction night were held on Friday 28th of June, and were a massive success. It exceeded all of our expectations, with a final total of \$16,074.85 raised.

Our committee is pleased with this achievement and are so grateful for your support. Without people and businesses like you, this would not have been possible.

In term three we look forward to begin planning a recreational space for secondary students and continue to develop the nature play space for primary students, top dress & fertilise our school oval.

Together with the grant from Sino Steel Future Fund the Morawa DHS P&C has also contributed funds towards the purchase of a new enclosed trailer.

Once again, your support is greatly appreciated and we thank you!

Kind Regards,

Morawa District High School P&C Committee 2019

The Committee

Morawa Sinosteel Future Fund

On behalf of the Morawa Golf Club I'm applying for a grant to help us with the purchase of a tractor to power our course mower.

We currently have a Ransomes TG4650 7 gang trailed PTO driven cylinder mower that has a minimum horsepower requirement of 60hp (see attached specifications). At present we are powering this mower with a 20hp stationery engine mounted on a separate trailer with the mower connected to the back of this trailer. This is all then towed by a members vehicle with us only having two members with vehicles capable of this task and competent to operate this setup. Our main concern is in the event of a member doing damage to there vehicle we will be responsible for repairs, something our club could not afford.

We have recently had our 90 year old volunteer groundsman retire. He invested countless hours in the maintenance of our course using our small ride on mower to mow our entire course a task that could take him up to 3 days a week to complete. The rest of our member base work full time and are unable to give that amount of time to maintain the course weekly, we require a way to be able to do it safely and in a timely manner.

In the worst-case scenario, our club will have to cease operations and travel to Perenjori weekly and play our golf there. This is something we are trying hard to avoid not only for ourselves but for the rest of the community. We provide the only other sporting activity for males in winter in Morawa other than Football. In today's time of men's mental health we provide a great place to come and have a chat about your problems while enjoying a game of golf. We don't charge the community to use the course and encourage as many people as possible to partake in the game. The course is used by the Morawa Agricultural College over the winter months and we have spoken to the Morawa District High School regarding involving Golf into their sports program. This is where the future of our club is going to come from.

We are looking at tractors in the 10-20-thousand-dollar range, the tractor would be used for roughly 100 hours a year depending on seasonal conditions. I have attached four options that are available at this time this could change by the time we are able to purchase if they sell.

Option 1: John Deere 5320, 65HP, 2wd TPL, ex turf farm \$12990 inc GST

Option 2: Kubota L5740, 57HP 4wd, ex turf mowing company \$16990 inc GST

Option 3: Massey 3525, 130HP, 2wd \$11550 inc GST

Option 4: Kubota M7040, 70HP, 2WD ex turf mowing company \$10000 inc GST

Of the Four options available at this time Option 4 is our preference due to the horsepower rating being what we need and the condition

of the tractor. Option 3 would be our next choice as this gives us the option into the future to upgrade to a larger mower thus reducing our mowing time Option 1 only has just enough power to operate our mower and Option 2 is under powered for the task to be performed.

The club is scheduled to host the Victoria Districts Association championships in 2020, attracting anywhere up to 45 golfers to town for three days of golf. In the future it would be good to host the State Sand Green championships in town, this is a four day event attracting roughly 200 golfers. To be eligible to host events of this nature you are required to be able to show that you have the equipment to maintain your course, at this stage we would be struggling to be able to do this.

I hope our application is looked upon favourably

Yours sincerely

Brett Atkinson

Good afternoon Brett,

Thanks for your request for information for the Massey 3525, to run your mower. Details are as follows:-

Massey 3525 2wd, 130 HP 6 CYL Perkins Engine, 3pl, Pto, cab, t/way radio, Runs Well. Hasn't been used much over the last few years. \$10500 PLUS GST, Ex Kewdale collection. Neat tractor for age, plenty of HP. Tyres perfect for golf course.

We have just reduced the price by \$3000 to move so firm at this price.

Previously it was a backup mixer tractor, so stayed shedded for most of the time.

We have a loading ramp here if needed.

I have attached photos.

Let me know if I Can assist further.

Many thanks Brett.

Best Regards,

Wayne Douglas

Section 2: Contact Details

Does your organisation/ Group have an ABN?

Yes or No
If Yes, provide your ABN below

ABN : 90562114725

Is your organisation / Group Registered for GST?

Yes or No

Is your organisation / Group Incorporated?

If Yes please attach a copy of the certificate to this application

What are the Aims & Objectives of the Organisation / Group?

We seek to address educational disparity in rural and remote regions of Western Australia. We do this through recruiting university students to tutor mathematics in rural schools. Overall, our vision is for every Australian to have equal opportunities in education regardless of their background, location or circumstance.

Has your organisation/group received any funding before from the Morawa Sinosteel Future Fund, or from the previously known Morawa Community Trust? Yes / No
 If Yes, please complete details below.

Year	Amount \$	Purpose

Section 3: Project / Event Details

Project / Event Title	
Summary of project: <i>Please clearly state the objective and the target audience of the project? (Maximum of 50 words)</i>	With this grant we hope to fund one Rural Program to Morawa DHS. In doing so, our passionate Perth-based volunteers will visit Morawa DHS for one week and provide free one-on-one mentoring and mathematics tutoring to students experiencing educational disadvantage.
What is the community need that this project is addressing: <i>(Where possible please provide evidence of this need – For example, statistics, letters of request, media stories etc demonstrating the need)</i>	Morawa DHS has an ICSEA of 896 (2018). This value is lower than the benchmark average of 1000, and is not reflective of the student's capabilities, but rather their location, individual backgrounds and circumstances. TLG's student-approved program aims to bridge this prevailing educational gap in Australia.
Who is the project targeted at? Please provide details regarding groups within the community to whom the project is targeted at – for example, youth, elderly, people with a disability – and provide an explanation as to why they are a priority?	The program is targeted at primary school students. The education inequality in Australia is due to external areas of disadvantage that children have no control over, and this gap only widens as children move through school. TLG strives to improve the educational outcomes and aspirations and rural and remote students in socioeconomic disadvantaged areas so they can reach their full potential.
Why should this project be a funding priority for the Morawa Sinosteel Future Fund Trustee?	The Rural Program has an evident impact on the students it reaches. The students we tutor are the future of Morawa and encouraging and empowering them to reach their full potential is an investment that will pay back itself countless times over in the future.
Amount of funding requested?	\$7000
Is the amount requested above GST inclusive?	Yes or <input checked="" type="radio"/> No

Section 4: Financial Details

Please provide details regarding the cost of the project and also attach supporting evidence such as copies of quotes obtained for goods and services. Please note that in line with the Shire of Morawa's purchasing policy at least two (2) written quotes are required for items up to the value of \$49,999, however, three (3) written quotes are required for items in value greater than \$50,000. These quotes must be specific for the current grant application.

Your organisation is endorsed as a deductible gift recipient

Dear Sir/Madam

We have endorsed your organisation as a deductible gift recipient and enclose your *Notice of endorsement as a deductible gift recipient*.

This endorsement enables your organisation to receive gifts which are tax deductible to donors.

The following details will appear on the Australian Business Register:

- your organisation's endorsement as a deductible gift recipient
- the date or period of effect.

You can view the details at www.abr.business.gov.au

If your organisation has also applied for other endorsements, you will receive separate notification.

What you need to do

Your endorsement was based on the information you gave us. Your organisation should regularly review its endorsement as a deductible gift recipient. We recommend a yearly review. If there are any changes (for example, to governing rules, structure or operations) and you are no longer entitled to endorsement, you must notify us before or as soon as possible after the event.

For more information

You can find out more about your non-profit entitlements, obligations and how to subscribe to regular updates on our website, www.ato.gov.au/non-profit If you have any questions about matters specific to non-profit organisations, please phone us on **1300 130 248** between 8.00am and 6.00pm, Monday to Friday.

What you need if you phone us

We need to know we are talking to the right person before we can discuss your tax affairs. We will ask for details only you or someone you have authorised would know. An authorised contact is someone who you have previously told us can act on your behalf. It will help if you quote 'Our reference' which you will find at the top of the letter. If you can, please have your Australian business number with you.

Yours faithfully

Michael Cranston
Deputy Commissioner of Taxation

Ellie Cuthbert
Economic Development Manager
City of Morawa

Dear Ellie,

Cover Letter - Teach Learn Grow City of Morawa Grant Application

I write this letter in support of Teach Learn Grow's application for grant funding from the City of Morawa's Sinosteel Future Fund Grant.

Teach Learn Grow (TLG) is a small, volunteer-led not-for-profit based out of Perth, Western Australia. TLG aims to empower students who are living in rural and remote Australian communities, to reach their educational potential. Children are falling behind their metropolitan peers every day, and TLG runs two bi-annual programs to bridge the gap/s in their education.

TLG runs two bi-annual programs, the flagship Rural Program and the eMentor program. The Rural Program has visited Morawa District High School since 2013, providing students who are experiencing disadvantage, hours of one-on-one tutoring and mentoring each semester for the past six years. The one week of intensive tutoring assists students to understanding an educational outcome, as well as improve their confidence and attitudes towards school.

Morawa DHS students have also received the TLG eMentor program since the start of 2016. The eMentor program is a one-on-one mentoring program where volunteer mentors interact with their mentee over a skype-based platform, called Learncube. Pairs use webcams, headsets and a whiteboard to discuss a range of topics that include cyber safety, leadership, goal setting, positive relationships, and health and wellbeing.

The major focus of eMentor is to support upper primary students through their transition into high school, and assist with the uptake of a range of soft skills including problem solving, critical thinking, communication, and time management.

TLG is led by a group of passionate, dedicated, hard-working, and empathetic volunteers who give up their time to act as positive role models and make a real difference to the lives of children living in Morawa.

Kind regards,
Cate Leedman
Chief Funding Manager

RE: Teach Learn Grow Program

To Whom it May Concern,

I am writing this letter to express my support for the Teach Learn Grow program.

Yalgoo Primary School has been involved in this program over the past few years.

I have only been at the school since the start of Term 2 this year and this program was new to me. The feedback I initially received from the staff was one of elevated enthusiasm for the program. I have since experienced a visit in June, Semester 1 of this year and can wholeheartedly agree with the staff and students.

The university students who engaged with our school were a group of highly professional young people, who always conducted themselves within the expectations of the Department of Education WA and Yalgoo PS. They came well prepared both in their pre-visit training, as well as their activities and resources, (which I suspect they purchase themselves at their own costs). They are prepared to be self-sufficient in their accommodation and meal provision which reduces any incumbrance to the operations of the school.

Their work with our students is fantastic. They are prepared with well thought out activities which target the achievement levels and interests of our students. They engage in both academic and social development activities. Their friendly approaches engender trusting and genuine relationships with both staff and students.

The benefit to our students is numerous:

- One to one attention and tutoring;
- Improvement in learning through Science, Technology, Engineering, Maths, Reading and Art activities.
- Improved attitudes towards school.
- Improved attendance. In the week of the June program we had 26 students with 100% attendance and 2 with 80% attendance – the school enrolment is 28 students.
- Improved social skills.
- Opportunity to interact with positive role models.

- Opportunity to interact with people from outside their immediate community – broadens our students' world view.

Each semester the students and staff look forward to the TLG program. I have no reservations in expressing my support for this program and hope this letter will assist in their endeavours to gain funding so the program may continue.

Yours sincerely

To whom it may concern

I am writing in support of the 'Teach Learn Grow' organisation. (TLG) Cue P.S. has had the privilege of their tutoring since 2014. I have found the organisation to be extremely professional in their approach to tutoring and mentoring.

They are well-prepared before they come to the school through constant communication with myself, the principal, and the teachers of the students.

The tutors are always ready, willing and able to assist our students with mostly tuition in mathematics but also use drama, science and art to develop the confidence and self-esteem of our students. More importantly, they are positive role models for our students. Each tutor builds a relationship and rapport with the students in their care.

Our students are always excited by the news that TLG are coming.

The staff at the school are also genuinely pleased to have TLG tutors visit. We are a small school in a remote location. It is both enlivening and enriching for our staff to have other young adults with whom to communicate and recreate for that week. It is always delightful for our teachers to see the growth in understanding of a concept/concepts by the students as they work with the TLG tutor individually.

TLG engage with our community by being part of a shared lunch at the school with parents/carers/community members on their last day as they distribute the awards to the students they have tutored.

The tutors and school staff share a dinner with the Shire CEO one night during the week of the TLG visit. This is an opportunity for the TLG tutors to engage with not only the CEO but others who are in the local hotel that night.

TLG have offered e-mentoring for our students since last year. Each student from Year 3 to Year 6 has a mentor they communicate with each week via video link. This continual connection to a mentor from TLG further provides positive relationship modelling and support to our students., encouraging them to 'reach for the stars' and never to give up but to believe they can achieve anything they desire.

Cue P.S. would really appreciate it if you could support the 'Teach Learn Grow' organisation. They contribute to the health and well-being of students and staff as well as improving the educational outcomes for our students. We would be devastated if they were no longer able to offer us their services.

To Whom It May Concern

Teach, Learn, Grow

Gnowangerup District High School has had the privilege to be part of the Teach, Learn, Grow program for the past 3 years. This organisation provides an enthusiastic bunch of university students as tutors that aim to bridge the gap in education for disadvantaged and indigenous children in rural Western Australia. Students reaching their potential regardless of background, location and circumstances is a very high priority at our School. With an Index of Community Socio-Educational Advantage (ICSEA) of 900 and the expectation that our students will be behind those of their more advantaged city counterparts it is our intention to provide as many positive and rewarding experiences for our students. This focus is ably supported and elevated to core business by the inclusion of Teach, Learn Grow.

The tutors that have attended our school provide a friendly, positive and unique experience for at least a third of our school students at each visit. In our school this is synonymous with winning lotto or receiving the ticket to Disneyland. The students absolutely love the experience, the staff appreciate the break from some of their more challenging students and in a one-to-one situation the students actually meet the outcomes in a meaningful, fun and entertaining manner – something that many of them have struggled with in the general classroom and have not often experienced.

Our teachers choose the learning outcomes for the students at the point of need and these outcomes are aligned with the Australian Curriculum in the Mathematics strand of Number and Algebra. The students are assessed at the beginning of the week and the end of the week to determine the level of improvement. Our students make many improvements in the dedicated selected outcomes and in addition many other socio-emotional and relationship building outcomes. This progress is reported back to us and is part of the data collected that indicates our progress and provides discussion for our school improvement plan.

I cannot praise this volunteer organisation enough, the quality of the tutors is exceptional, they all arrive as positive, caring and giving young university students something that is not noticed enough or publicised adequately by the mainstream media. Our students get to hang out with young professionals that are studying medicine, engineering, teaching, communication and a plethora of other high powered and exhausting degrees. This is often outside many of our student's experiences ever!

The messages from this group mirror those from the school and our students benefit from hearing the same message in a different manner with a different style of delivery. Over the week that we host this group our staff also benefit from the new and enthusiastic tutors, the energy and synergy they inject into our schools right when we need a refresh – after reports and before the school holidays!

I can't thank this group enough nor praise their professional approach sufficiently and I hope that by expressing my appreciation that it will support their application for a grant.

Yours faithfully

RE: Application to the Morawa Sinosteel Future Fund grant – Morawa Amateur Swimming Club

On behalf of the Morawa District High School I am writing in support of the application from the Morawa Amateur Swimming Amateur Club, for funding from the Morawa Sinosteel Future Fund, to provide a new Swimming Club equipment shed at the Morawa Swimming Pool.

The Morawa Amateur Swimming Club has for many years provided a valuable community service by developing strong and confident swimmers and providing opportunities to travel and compete with other Swimming Clubs across Western Australia.

The Morawa Amateur Swimming Club has long supported Morawa District High School by providing, maintaining and storing the equipment needed to support in-term and vacation swimming classes and to run and host successful interhouse and interschool swimming carnivals.

The construction of a new equipment shed will see the Morawa Amateur Swimming Club continue to provide a much valued and needed recreational and sporting service to the community.

Your consideration of the application by the Morawa Amateur Swimming Club is appreciated.

Yours sincerely,

Dear Mr Yewers,

RE: 2019/2020 Sinosteel Future Fund Grant – Morawa Swimming Club Shed Proposal

I have been informed that the Morawa Swimming Club will be preparing a Sinosteel Future Fund Grant submission relating to the provision of a new swimming club shed to be located at the Morawa Swimming Pool.

I wish to express support for the grant submission on the basis that:

- The Morawa Swimming Club provides an important sporting and community service to Morawa and regional community.
- The existing Morawa Swimming Club shed, located at the Morawa Swimming Pool, is in poor condition, subject to rust, creating safety and security issues.
- The existing shed is considered to be of an inadequate size to house key Morawa Swimming Club equipment including lane ropes, timing equipment, spectator chairs and tables, training equipment and dive blocks.

As the Morawa Swimming Pool Manager, I see great benefits that the Morawa Swimming Club provide in delivering sporting services, social networks and an avenue for children participating in local and regional activities.

The proposal for grant funding to assist in the construction of a new shed would address the abovementioned issues associated with the current shed and allow for continuation of this key sporting club and associated service.

I would be more than happy to elaborate on the abovementioned information as part of the assessment of the Morawa Swimming Club grant submission.

Yours sincerely,

Ms Sandra Reardon

Section 3: Project / Event Details

Project / Event Title	
<p>Summary of project: Please clearly state the objective and the target audience of the project? (Maximum of 50 words)</p>	<p>This project is aimed at installing a veterinary equine crush, for the use of the whole community, at the WA College of Agriculture Morawa</p>
<p>What is the community need that this project is addressing: (Where possible please provide evidence of this need – For example, statistics, letters of request, media stories etc demonstrating the need)</p>	<p>The project is addressing the community and school needs by reducing the OHS risks/Hazards to the community, their horses, vets and other public officers needing a crush for the safe handling of a horse in any predicament, (the nearest equine crush to Morawa and surrounds is approx. 110kms away, in the coastal area of the Mid West) when their horse is sick, injured or needing other professional and daily treatment. Loading and Travelling horses at the best of times is dangerous but an already injured, sick or in need horse in a float requires the people involved freedom of stress and possible further injuries or situations occurring, making this event especially high risk, where long distances are involved, as they are in the Mid-West. If a horse drops in the float the risk to both the people and the horse(s) involved are severely increased due to handling in small spaces or being stuck on a road at such a time. Reducing travel to a facility at the WACOA Morawa with sick and injured horses can limit this and provide a better safety net for all, dealing or coming into contact and having to help where such an the event may have occurred.</p>
<p>Who is the project targeted at? Please provide details regarding groups within the community to whom the project is targeted at – for example, youth, elderly, people with a disability – and provide an explanation as to why they are a priority?</p>	<p>Every horse owner and others in the Morawa and surrounding districts would benefit from this project. Not only would it mean less stress and further injury to horses and those involved but would also provide veterinary staff, college staff, students, Rangers, RSPCA officers a valuable facility to inspect and treat horses on the spot, and also provide students and others with educational growth and without the necessity of floating long distances, which would also fit with Animal Welfare. The facility would also provide horse owners the opportunity to book appointments on mass for treatments such as dentistry, health checks, reproductive treatments and any other requirements as well as emergency situations any time of day or night, providing a local service and reducing travel time, stress and reducing possible OHS issues, and the expense of floating the distances already in place.</p>

<p>Why should this project be a funding priority for the Morawa Sinosteel Future Fund Trustee?</p>	<p>Any such project would benefit the whole community of Morawa, providing a valuable resource, opening up education to both students and others, reducing road risk and those attending such incidences. This proposed project would not only provide a humane and financial benefit to the horse owners in Morawa district and surrounds, it would also attract owners from more remote areas north, east and south of the Morawa Shire area to Morawa, rather than having to travel to the coast for treatment and veterinary services, bringing to the town benefits for other local businesses such as food outlets, accommodation, and give visitors a greater insight into what Morawa has to offer, including educationally. A win/win for everyone.</p>
<p>Amount of funding requested?</p>	<p>\$15950-00</p>
<p>Is the amount requested above GST inclusive?</p>	<p><input checked="" type="radio"/> Yes or No</p>

Section 4: Financial Details

Please provide details regarding the cost of the project and also attach supporting evidence such as copies of quotes obtained for goods and services. Please note that in line with the Shire of Morawa's purchasing policy at least two (2) written quotes are required for items up to the value of \$49,999, however, three (3) written quotes are required for items in value greater than \$50,000. These quotes must be specific for the current grant application.

Hi Dominique,
The overhead bar isn't an issue ... we just had to modify the way we make our crush to make it work for freight/flat packing. So at this stage the quote looks like this:

Standard crush \$990 inc GST

Overhead bar (which involves extending the 4 posts and an overhead bar with u bolt or similar to sling from to be bolted to top complete length of crush plus head = 2.4m long) \$440 inc GST

Freight \$770 inc GST
Total \$2,200.00 inc GST

(Please feel free to get your own freight quote if you have access to a freight account-pickup North Richmond NSW 2756
Dimensions are: pallet: 2.4 long x 1.1 wide x .3m high approx 100kgs)

We are located close to Windsor/Richmond NSW in a place called Colo.

Hope that's all helpful and let me know if we can help. If you'd like to go ahead let me know and I'll get an official quote through to you. We allow 2 weeks for manufacturing after receiving 50% deposit.

Don't hesitate to call if you have any questions.

To Whom it may concern

Re: MOAG horse facility

As a local veterinarian who regularly services the Morawa area, I would like to offer my full support and encouragement for the proposition to build an equine crush facility at the school.

A crush will provide much needed safe restraint for treating horses. Using a crush significantly reduces the risk of injury to people handling frightened or injured horses by reducing movement especially the ability to kick forward or backward. This is particularly useful when doing procedures where handlers and vets are in the high-risk zone in front of a horse for example when drenching or performing dentistry as even a sedated horse can react unpredictably and dangerously. A crush is also imperative if procedures such as rectal or reproductive examination are required.

A facility such as this is also useful for many every day procedures such as safely changing bandages, washing and clipping. The use of an appropriate crush also reduces the stress for the horse when having procedures performed.

If I can be of any further help with clarification or suggestions, I am happy to be contacted on the above number.

Yours sincerely,

Dr Emma Taylor BSc BVMS

To Whom It May Concern,

I write this letter in support of WACOA Morawa in building an Equine Crush in their new Equine Facility.

I believe the support is justifiable due to the distance the students at Morawa must travel for Veterinary treatment or have a qualified Vet to travel to Morawa to treat an injured horse. The students being involved in animal welfare will benefit through education including the safety aspect of students and Vet.

This would be the only Equine Crush outside the Geraldton area, therefore could benefit not only the students but the community of Morawa and outside towns if needed in the future. My role as an RSPCA General Inspector would certainly welcome an area for treatment of Equines.

I feel this would bring to the college the ability to showcase there evolving educational programs for the students interested in taking a career pathway in a multitude of specialised areas within the Equine Industry whilst keeping in line with the Animal Welfare Guidelines. This would also benefit the community and other stakeholders.

Yours Sincerely,

Maureen Rogers

Dear Dean,

I am writing to support the Colleges application to the Morawa Sinosteel Future Fund grant for a horse crush. As a horse owner in the shire of Morawa I can appreciate that a horse crush located within the shire would enable safer horse husbandry and encourage vets to visit the shire for procedures such as dentistry. I have previously worked with the horses at the college and can see how a horse crush could be a valuable addition to the program. It would increase safety for students, staff and visiting vets as well as facilitate new learning opportunities.

Kind regards

- (c) all accretions to the Trust Fund;
- (d) all accumulations of income; and
- (e) the money, investments and property from time to time representing the above, or into which they are converted.

4. Declaration of trust

- (1) The Founder and the Trustee declare that the Trustee will hold the Trust Fund on the trusts, with the powers and subject to the provisions in, this deed.
- (2) To avoid doubt, the Trustee agrees that the Trust Fund constitutes a trust fund under section 6.9 of the *Local Government Act 1995* (WA), and despite section 6.9(4) of that Act, agrees that it will not, even after the Trust Fund has been held on trust for 10 years, transfer the Trust Fund to a municipal fund.

5. Purpose

- (1) The purpose of the Trust Fund is to assist community organisations by providing financial support for –
 - (a) activities or endeavours that will provide community or welfare benefit to persons who are ordinarily resident in the Area; or
 - (b) facilities or services that improve the welfare, culture or amenity of persons ordinarily resident in the Area.
- (2) It is intended that, in considering applications for funding, preference would be given to applications in respect of which the applicants –
 - (a) are community organisations that are based in the Area, or the majority of the members of which are ordinarily resident in the Area; and
 - (b) propose to make their own contributions (such as by way of labour, materials or in kind) of at least 30% of the total value of the funding required.

6. Committee

- (1) The Trustee must establish the Committee, to be known as the ‘Morawa Sinosteel Future Fund Committee’, under section 5.8 of the *Local Government Act 1995*.

- (2) The members of the Committee are to comprise –
 - (a) the Shire President;
 - (b) the Shire Deputy President;
 - (c) the Shire’s CEO; and
 - (d) 2 members of the community who ordinarily reside in the Area.
- (3) The functions of the Committee are –
 - (a) to seek and assess funding applications in accordance with the Purpose;
 - (b) to prepare, and submit to the Trustee, Recommended Funding Proposals;
 - (c) to ensure, as far as practicable, that the value of the Recommended Funding Proposals in each Accounting Period are at least 85% of, but do not exceed, the Income for that Accounting Period; and
 - (d) to provide reports to the Trustee on the administration of the Trust Fund.

7. Trustee

- (1) The Trustee must hold the Trust Fund on trust to pay or apply the Income for the Purpose.
- (2) The Trustee –
 - (a) must accept a Recommended Funding Proposal if it is consistent with this deed;
 - (b) must reject a Recommended Funding Proposal if it is not consistent with this deed;
 - (c) cannot amend a Recommended Funding Proposal but may return it to the Committee with suggested amendments; and
 - (d) cannot make or authorise a payment from the Trust Fund except in accordance with a Recommended Funding Proposal accepted under clause 7(2)(a).
- (3) The Trustee must invest money held in the Trust Fund in accordance with the powers and responsibilities of a local government, including those under section 6.14 of the *Local Government Act 1995* and regulation 19C of the *Local Government (Financial Management) Regulations 1996*.
- (4) The Trustee must, in relation to the Trust Fund and its administration, comply with the accounting, record keeping, audit and other financial management requirements of the *Local Government Act 1995* and the *Local Government (Financial Management) Regulations 1996*.
- (5) The Trustee must include, in each annual financial report, details of each payment (including the recipient of each payment) from the Trust Fund for the relevant Accounting Period.

8. Governing law

This deed is governed by the laws of Western Australia.

Morawa Sinosteel Future Fund: Guidelines

Morawa Sinosteel Future Fund Grant

The Morawa Sinosteel Future Fund Grant was previously known as the Community Development Fund. This fund has been set up to provide funding opportunities for the community benefit of Morawa. The amount of funding available will be advertised at each of the two (2) advertised funding rounds. Below is a general timeline for administration of the two funding rounds.

	Applications Open	Applications Close	Applications Assessed	Applicants Notified	Funds Administered
Round 1	February	March	March	April	April/May
Round 2	August	September	September	October	October/November

Who Administers the Morawa Sinosteel Future Fund Grants

The Morawa Sinosteel Future Fund Grant is administered by the Morawa Sinosteel Future Fund Committee. This committee will comprise of the Shire President, the Shire Deputy President, the Shire's CEO, and two (2) members of the community who ordinarily reside in the Shire of Morawa.

The Morawa Sinosteel Future Fund Grant Committee will assess funding applications in accordance with the Deed of Agreement's purpose. The Committee will prepare and submit recommended funding proposals to the next ordinary council meeting. At that meeting the elected members of the Shire of Morawa (the Trustee) will assess recommended funding proposals in line with the conditions set out in the Morawa Sinosteel Future Fund Deed of Agreement. The Council will then approve and authorise payments for the successful funding proposals. It is to be noted that the Council cannot amend a Committee recommended funding proposal, however, they can return a proposal to the committee with suggested amendments.

Purpose of Grant and Eligibility

The purpose of the Morawa Sinosteel Future Fund Grant is to assist community organisations by providing financial support for –

- (a) Activities or endeavours that will provide community, or welfare benefit, to persons who are ordinarily resident in the Shire of Morawa; or
- (b) Facilities or services that improve the welfare, culture or amenity of persons ordinarily resident in the Shire of Morawa.

Preference will be given to Grant applications that:

- (a) Are community organisations that are based within the Shire of Morawa, or the majority of the members of which, are ordinarily resident in the Shire of Morawa; and
- (b) Propose to make their own contributions (such as by way of labour, materials or in kind) of at least 30% of the total value of the funding required.

How much can you apply for?

The Morawa Sinosteel Future Fund does not have a fixed maximum amount that can be applied for in any one application. However, the total grant funding amounts available across a financial year is stipulated in the Deed of Agreement as not exceeding 85% of income earned on the Future Fund funds. Please note: That for applications to be considered they must be

- Completed in full
- Contain correct quotes in-line with the Shire of Morawa Purchasing Policy
- Must have other supporting documentation where appropriate

How and when can you apply?

You can apply for a Morawa Sinosteel Future Fund Grant at either the February or August funding rounds. These rounds will be advertised by the Shire of Morawa using its usual communication channels such via posters, Shire Snippets, and social media. Applications must be made using the official Morawa Future Fund Grant Application Package which is available for download from the Shire of Morawa website. Alternatively you can obtain a copy of the Morawa Future Fund Grant Application Package from the Shire of Morawa Administration Office. The pack contains the general guidelines, an application form, and details on how to acquit the funds.

Who Administers the Grant Application?

The grant is administered by the Morawa Sinosteel Future Fund Committee. While the final approvals for the Funding Proposals are determined by the Council of the Shire of Morawa.

How long does it take?

The Grant process can take up to 8 weeks to be reviewed, processed at the committee level, approved at the Council level, and funds administered to successful applicants. You will be notified of the outcome of your application via email and/or mail.

How do I Acquit my Funds?

As a local government entity the Shire of Morawa must account for all funds. As such, like most grants, it is critical that recipients of the Morawa Sinosteel Future Fund Grant provide documentation to demonstrate how the grant funds have been spent. This can be done by attaching receipts and any other relevant documents to the completed acquittal form attached in this pack. This form needs to be completed and returned to the Shire of Morawa no later than 6 weeks of completing the event, activity, or project. In addition, a small blurb about the event, activity, or project with an image, or images that can be used for promotional purposes by the Shire of Morawa should be included.

What happens if I cannot deliver my project/activity?

Approved Grant funds cannot be transferred. Grant recipients cannot transfer part, or all, of their grant funds or items to another group or project. If you are unable to deliver your project, or activity, then you will be liable to return ALL awarded funds to the Morawa Sinosteel Future Fund with a clear explanation as to why they project/activity could not be delivered.
